

**HANOVER TOWNSHIP**  
**Luzerne County, Pennsylvania**  
**ORDINANCE NO. 004 of 2024**

**AN ORDINANCE OF THE TOWNSHIP OF HANOVER, LUZERNE COUNTY,  
PENNSYLVANIA REGULATING THE PLACEMENT OF WASTE DUMPSTERS AND  
THE STORAGE OF OTHER ITEMS ON PRIVATE PROPERTY AND WITHIN THE  
RIGHT-OF-WAY OF ANY PUBLIC STREET IN THE TOWNSHIP**

**WHEREAS**, the Commissioners of the Township of Hanover, have determined that it is in the best interests of the Township that the placement of waste dumpsters and the storage of items upon private property and within the right-of-way of any public street in the Township be regulated.

**NOW, THEREFORE, BE IT ORDAINED AND ENACTED BY THE COMMISSIONERS OF THE TOWNSHIP OF HANOVER AS FOLLOWS:**

**SECTION 1. PURPOSE AND LEGISLATIVE INTENT**

Dumpsters and portable storage containers are a necessary part of the residential and business community of the Township of Hanover. If left unregulated, dumpsters and portable storage containers can create problems which can have a detrimental impact on the health, safety, and welfare of the community. Dumpsters and portable storage containers can hinder pedestrian and vehicular traffic flow and create dangerous conditions by obstructing sidewalks and streets and can create an appearance of disorder and economic blight. The Commissioners of the Township of Hanover have determined that the regulation of dumpsters and portable storage containers within the Township will promote the health, safety, and welfare of the community by preventing hazards associated with these devices, by facilitating pedestrian and vehicular traffic flow and by eliminating a nuisance that creates the appearance of unsightliness and economic blight.
